Synopsis

JM has picked Waaree Renewable Technologies, Insolation Energy and Premier Energy and Infrastructure as its top bet in the segment along with eight other stocks from allied industries.

Solar energy stocks gained traction in another session on Wednesday, with Borosil Renewables jumping 12% and hitting a fresh 52-week high. The government's Pradhanmantri Suryodaya Yojana (PSY) announced on January 22 has lent a fresh impetus to the sector with panel manufacturing companies seen to be the biggest beneficiaries,

according to estimates by [JM Financial](#).

Want to take exposure to a sector which grows much faster than GDP

JM has picked Waaree Renewable Technologies, Insolation Energy and Premier Energy and Infrastructure as its top bet in the segment along with eight other stocks from allied industries.
